

Making Learning Fun and Ecological

Lesson: Planning

Activity: Step by step planning

Lead In:

Classroom

Virtual (zoom, teams, skype...)

Duration:

40 minutes (introduction and activity)

Aim:

Conquer the concept of planning

Face it with planning process

Get to know the planning and SDGs

Type of activity:

Working on worksheet

Fulfil the diagram

Group number:

individual

or group of 3 people

Recommended age: 15-17

Instructions

For the educator:

Start with introduction to the topic, read the article: Tools and methods for organization and realization of sustainable development and social entrepreneurship

Read the article for Lesson 2: Sustainable development and planning

With participants talk about SDG's (sustainable development goals) – how many and which are they.

The educator decides how to work – with groups or individuals.

Prepared worksheets – printed or virtual.

If working in groups use some time before to fulfil the second and the third question. And leave time for brainstorming and ideas.

For the user/ interested participants:

Read prepared articles to acquire some new knowledge on planning process.

While reading try to imagine situation in practice, how would you connect sustainability and planning.

Key words:

Planning
Planning process in steps
Sustainable development
SDG's

Materials, equipment:

Pencil
Printed or virtual prepared worksheet
If it takes place in classroom – use board and stick notes for ideas of brainstorming
